

# FAMILY RESOURCE NAVIGATION

Penni Belcher, 211 Director, United Way of Pierce County

Sarah Kirschenbaum, Family Resource Navigator, United Way of Pierce County

Taylor Caragan, MPH, Health Integration Manager, First 5 Fundamentals

# LEARNING OBJECTIVES

Participants will be able to:

- Explain the functions, and benefits of the 211 service, including how it connects individuals to community resources and support services.
- Describe the steps involved in the Family Resource Navigator referral process, including how referrals are initiated and managed.
- Demonstrate how to complete and submit the Provider Referral Form to access Family Resource Navigators, including identifying key information required for the referral.

# Family Resource Navigation Process

ONLINE  
PROVIDER  
REFERRAL  
FORM

Providers use the online referral form that offers a secure way to submit patient information to be sent to the Family Resource Navigators

FRN  
Email

The form is sent to an email box that only the navigators, supervisor and director have access to.

FRN Calls  
Client

The navigators take clients as they come in and will attempt a first contact within 2 business days. Contact could be phone, text or email based on client preference.

Call back  
client

If the FRN can't reach the client on the 1st try they will try 2 more times for 3 total attempts.

Follow Up  
Survey

If the FRN successfully connects with the client and provides resources they will request to follow up with the client to see how the resources worked out, Provide more support, and evaluate our service.
