

Welcome to Omnipod® 5!

It's time to register your device & complete onboarding.

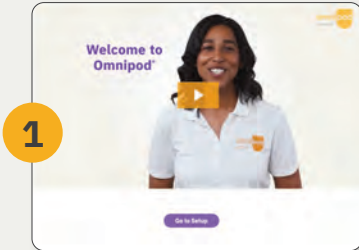

We're so happy you are on your way to getting started. Whether you are new to Omnipod®, insulin pumps, or have been a Podder® for years, Omnipod 5 is different. Completing your Setup and Training are necessary steps to help provide you with the resources you need to get the best clinical results from your new Omnipod 5 System.

To begin the registration process & schedule training:

Scan this code on your smartphone or visit omnipod.com/setup

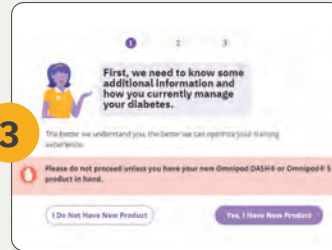

1

Select 'Go to Setup'.

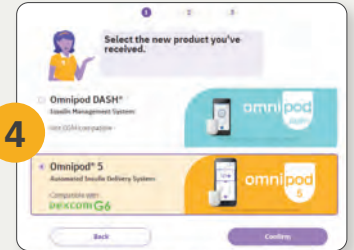

2

Sign in or create your Omnipod ID account.

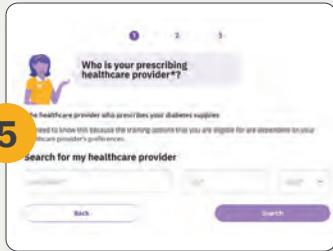

3

Once signed in to your Omnipod ID, select: 'Yes, I Have New Product'.

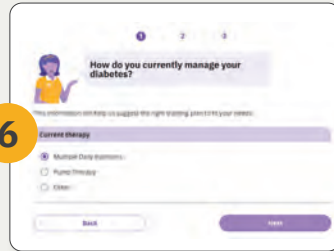

4

Select 'Omnipod 5'.

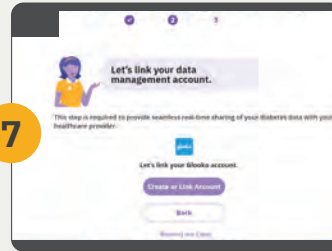

5

Search for your prescribing healthcare provider. This information may pre-populate.

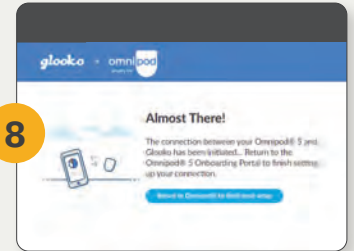

6

Complete several questions about your current diabetes management to determine your training.

7

Create or link your Glooko® account to provide seamless sharing of your diabetes data with your healthcare provider.

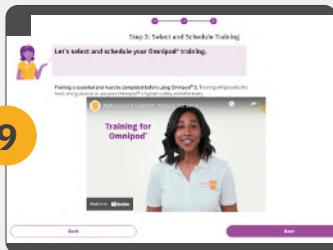

8

If prompted, your ProConnect Code is:

marybridge

Select 'Return to Omnipod to finish your setup'.

9

Select your preferred training method.

10

Turn on your Controller and sign in with your Omnipod ID. Do not use your device further until training is completed.

To prepare for Omnipod[®] 5 Training:

Now that your device is registered and your training is scheduled, it's time to prepare!

If you have not registered your device or scheduled training, refer to the frontside of this document and complete all the required steps.

Actions to complete before your training:

- Review Omnipod 5 eLearning in PodderCentral[®]
- Set up your Dexcom G6 mobile app AND your active sensor on your compatible smartphone*
- Review the Omnipod 5 Quick Start Guide included in your Starter Kit

Items you must bring to your training:

- Vial of U-100 rapid-acting insulin compatible with the Omnipod 5 System
- Omnipod 5 Pods
- Fully-charged Controller or compatible smartphone, if applicable**
- Active Dexcom G6 sensor that is connected to the G6 mobile app
- Controller charger and/or smartphone charger
- Alcohol wipes

Please note:

- Expect your appointment to take up to 2 hours.
- Wear comfortable clothing with easy access to desired Pod placement area.
